

FAITH IN THE WORD

Faith Lutheran Church, Wylie Texas - *Many members. One body united in Christ.*

For the week of The Fourth Sunday after Trinity

June 28 – July 4 AD 2026

Every commandment has a negative and a positive aspect - not bad and good, but “don’t do” and “do”. Negatively, the Fifth Commandment tells us, “do not hurt your neighbor’s body.” Positively, the Fifth Commandment directs us to “help and support our neighbor in every physical need.” So, we cannot simply say, “I didn’t hurt my neighbor.” That is not the fullness of the commandment. We actually **MUST** help our neighbor take care of his body which God created. We must feed and clothe and shelter our neighbor when he is in need. We must work to make sure that no one else harms our neighbor’s body. How we do these things isn’t always obvious. It isn’t always the most helpful to our neighbor to just hand him a bunch of money. We do need to use our God-given wisdom, and sometimes the help we provide will be abused. But that doesn’t mean we are free not to try to help. Too often we have turned a blind eye to our neighbor’s need because “he might not be responsible with the help I give him.” We need to repent and remember that God has continued to help us even though we have so often abused the care and preservation which He has lavished upon our bodies. Thanks be to God that every day He richly and daily provides us with all that we need to support this body and life though we deserve none of it. And may we, in thankfulness for Christ’s rich forgiveness, do all that we can to take care of the bodily needs of our neighbor. God grant it for Jesus’ sake.

The Ten Commandments: The Fifth Commandment

You shall not murder.

What does this mean? We should fear and love God so that we do not hurt or harm our neighbor in his body, but help and support him in every physical need.
